

SALEM HIGH SCHOOL BAND BOOSTERS

September 2014 Newsletter

Please join us at our Band Boosters meeting on Tuesday, September 9th^h @ 7:00 pm in the High School band room. ALL parents and grandparents of students in grades 5 through 12 are encouraged to attend! Plans for upcoming events throughout the school year will be discussed.

SHS ANNUAL BAND SHOW

This year's Annual Band Show is slated for Saturday, September 27th at Reilly Stadium beginning at 7:00 pm. We have received participating confirmation from six area high school bands, coupled with Malone University in Canton and are anticipating a terrific turnout for the evening. Volunteers are needed to assist with the flow of the evening, and a sign-up sheet will be made available at the boosters meeting on Tuesday, 9/9. Students will be receiving information in regards to selling ads for the program and have been asked to consider area businesses they would like to contact for advertising sponsorships.

"FUTURE" BAND NIGHT – SEPTEMBER 26th

All band students in grades 5 through 8 are invited to participate in the 2014 Future Band Night on 9/26 as our Mighty Quakers Varsity Football team hosts the Alliance Aviators at 7:00 pm. Additional information will be provided for those students wishing to attend. This is a fantastic event for our "Future" Pride of Salem musicians and affords them the opportunity to be "track-side" during the band's halftime performance. We need as many volunteers as possible to help chaperone this event. Please contact Mrs. Piatt or Mrs. McFarland if you are able to assist with the evening.

HIGH SCHOOL BAND FUNDRAISER (through 9/8)

Students in grades 9 through 12 are currently holding a "mini" fundraiser which runs inclusive through September 8th, with ordered items scheduled to arrive the week of September 29th. Many thanks to those who have generously supported the band members to date with this project! All profits generated from this fundraiser will be credited to the individual student accounts for the band. Anyone wishing to place an order should contact any high school band member or Mrs. McFarland at the high school office.

NEW YORK CITY TRIP (MARCH 2015)

All high school band students participating in the NYC St. Patrick's Day Parade in March are reminded to submit their first payment to Mrs. McFarland by Friday, September 5th. Reminders for future payments will go out in advance of scheduled submission dates. Anyone student requiring special payment arrangements or any parent wishing to travel as a chaperone should contact Mrs. McFarland immediately so plans can be made accordingly.

SHS BAND ALUMNI NIGHT (OCTOBER 10th)

All SHS Band alumni are invited to participate in our annual Alumni Band Night scheduled for Friday, October 10th during the homecoming game against the Marlinton Dukes. Any former band member wishing to participate should contact Mrs. McFarland as soon as possible. We will be meeting in the high school band room promptly at 5:30 pm and marching down to the stadium. Please bring your own instrument and prepare for a very enjoyable evening with some of the best "student ambassadors" from the Pride of Salem!
